Lulu.com, United Kingdom, 2007. Paperback. Condition: New. Language: English. Brand new Book. A collection of poems and lyrics focusing on the heart of the Christmas story - the coming of the Christ-child, it's impact at the time and the call it makes upon our lives today. Andrew Lane's writing strips away the layers of Victorian romanticism that still cloak the Christmas story and take us to the real meaning of this familiar story, shedding new light on the coming of 'the light.'.
