CHILD'S PLAY: THE UNSEEN (PAPERBACK)

Independently Published, United States, 2018. Paperback. Condition: New. Language: English. Brand new Book. Recently widowed Diane Greyfield arrives at Greyfield Manor with her young son, Grant. Struggling with the tragic and untimely death of her husband, she hopes that the change in scenery will help pull her child from his silent grief. But this trip away from London is nothing she could have imagined. She grows concerned for her son's mental state after he claims to see the ghost of a man and a woman in the old manor house. What Diane hoped would be an idyllic place to heal instead turns into a place of danger. She's pushed down the stairs by an unseen entity. One who, according to her son, doesn't like her and wants her dead. Furniture moves on its own. She hears whispers in her ear. Are these ghosts merely figments of a child's overwrought emotions? Is Grant being tormented by spirits who want him to harm himself - or her? Has Diane put her son in harm's way by bringing him to his ancestral home? Diane will do everything in her power to protect her son from harm. But how can she do that if she can't see what's there?
